CHUCHUNA SCHOLARSHIP FUND PROGRAM DESCRIPTION

INTRODUCTION

The Chuchuna Scholarship Fund (CSF) was established in April 2017 under a mineral exploration agreement between Chuchuna Minerals Company and Six-Mile Mining Company (a.k.a. Quaterra Resources, Incorporated). The scholarship fund is administered by the Qizhjah Heritage Institute—for the benefit of Kijik Corporation shareholders and their descendants. The establishment of this scholarship fund is intended to demonstrate the founder’s recognition of their obligation to not only promote responsible and environmentally sound mineral development but also to contribute to stakeholder opportunities that allow for growth and personal development.

PURPOSE

The purpose of the CSF is to provide financial assistance to eligible applicants seeking to engage in a post-secondary education curriculum, at an accredited institution, that results in a college degree, vocational education certificate or occupational endorsement.

ELIGIBILITY

To be eligible for CSF funding consideration, the applicant must:

1. Be an original shareholder of Kijik Corporation or a descendant of an original shareholder.
2. Be accepted or enrolled in an accredited college, university, or technical vocational school. If you are not yet accepted, you must submit a letter from the school indicating your application is pending.
3. Be attending or planning to attend school on a full-time basis. If full-time status is not maintained throughout the academic year or term, funding eligibility will be terminated. Full-time status is defined as:
 - a. Undergraduate Student: Enrolled in a minimum of 12 credits
 - b. Graduate Student: Enrolled in a minimum of 9 credits
4. Be, at a minimum, a 2.00 GPA student, if already enrolled as a student, or performing at a satisfactory level, according to the training instructor, in whatever vocational training program student is enrolled.
